Three Great Games, One Epic Adventure

Step into Guild Wars, the award-winning fantasy online role-playing game enjoyed by millions of players. An award-winning online fantasy epic awaits with no subscription fees! Guild Wars Trilogy combines Guild Wars Prophecies™, Factions and Nightfall into a single amazing experience.

Begin in Guild Wars on the continent of Tyria where the human kingdoms are under attack by the vicious Charr.

Journey on to the ancient continent of Cantha in Factions, a land torn apart by political strife, and threatened by the restless spirit of a long-dead traitor.

Lastly, explore exotic Elona in Nightfall, where players must do battle against a god to save the land from descending into eternal night.

features

- Over 1100 skills to hone, 4 lands to explore, 60 missions and 10 professions to master.
- Go it alone, join with other players, or recruit a party of heroes or henchmen that you control.
- When you leave the bustling cities, experience adventures created just for you and your party.
- Build a guild with other players and enter Player vs. Player tournaments for in-game prizes.
- Buy the game and play online with no monthly fees.
- BONUS! Owners of Guild Wars Trilogy will be able to add M.O.X. the golem, a magic-powered engine of destruction, to their party! Everybody needs a friend like M.O.X.!
